

PMCA Project Management Career Advancement

The Project Management Career Advancement (PMCA) Program offers a comprehensive training for all construction professionals by teaching new skills, techniques, and strategies to use in the everyday workplace. The program is structured to give students a “Big Picture” perspective, while giving them tools that will enhance their abilities as project managers and construction professionals, right away.

The 2010 PMCA Program is scheduled to begin Tuesday, September 14, 2010 and continue through Tuesday, November 9, 2010. For class descriptions, please visit www.euca.com and click on the PMCA link on the home page.
